

# THE GLOBAL INNOVATION AWARD

UNITED ARAB EMIRATES  
MINISTRY OF CLIMATE CHANGE  
& ENVIRONMENT

الإمارات العربية المتحدة  
وزارة التغير المناخي  
والبيئة

Globally runs the yearly Global Innovation Award:  
The award where global innovations get the chance  
to enter and grow in the UAE market with support of  
the UAE Ministry of Climate Change & Environment

## Who is it for

Companies from all over the world with innovations that  
can support the UAE in becoming the most sustainable  
destination in the world

## How it works

Applicants upload their innovation video to GloballyGreat and fill in the application  
form until December 24<sup>th</sup>, 2020. The jury will select an overall winner and 2 SDG  
category winners: SDG12 Responsible Consumption & Production and SDG14 Life  
Below Water. The winners will be announced during the Abu Dhabi Sustainability  
Week in January 2021

## What is there to win

The winner(s) will get:

- Exposure to a large global audience during the award ceremony
- Support from UAE government organizations and award partners
- A dedicated company channel on GloballyGreat
- 6 months access to Dtec Dubai co-working space
